Michele:

Sorry for the delay. Steve's Administrative Assistant has been on vacation. Apparently the Division does not have a final copy of the letter. Attached is the draft that we sent to the Water Board. We will pursue a copy from the Water Board.

Thanks,

Rob – In keeping with our recent exchange of copies of letters, CRC’s letter of August 4, 2015,(attached), refers to an April 28, 2015 letter stating that “the Division is moving forward with an aquifer exemption application to the U.S. Environmental Protection Agency (USEPA) only for the following areas: Sections

32R and 33R, T30S, R 23E, and Section 1B, 2B, 3B, 4B, 10B, 11B, 12B, and 13B, T31S, R23E, of the Elk Hills Field.”

I would very much appreciate it if you would send us a copy of that letter so we may be as informed as possible when meeting with our Class I operators next week. Thanks!

Michele
